## ORGANIZATION OF AUXILIARY UNIT IS LEGION PLAN

Judge J. V. Leak Heads Committee To Arrange Program of First Meeting—Mrs. Leon H. Brown Heads Women—Wichita Woman To Speak

Interest in the organization of a Woman's Auxiliary of the American Legion has been worked up to a keener pitch and in all probability an organization will be perfected at the first meeting which is to be held the first Monday night in October. The committee for the first meeting has been appointed by members of the American Legion and a number of members are expected to be signed up in the new organization.

The members of the committee are as follows: Judge J. V. Leak, chairman; Mrs. Leon H. Brown, chairman of women; E. M. Haney, ex-officio member of committee to furnish necessary details; Leon H. Brown, W. R. Cochran, T. S. Bell, C. C. Alger, L. P. Starr of Odell, Mr. and Mrs. Walter Hoffman, Mrs. E. M. Haney, Mrs. A. A. Hingst and Mrs. Marvin C. Culbertson.

The program for the meeting will be announced later in the form of an invitation which will be sent all ex-service men and women relatives of veterans of the World war, of whom the American Legion has a record.

Wives, mothers, sisters, and other women relatives of ex-service men are eligible to membership in the Auxiliary and are requested to communicate with members of the committee at once in order that they might be placed on the mailing list of the organization.

The main purpose of the organization of the Auxiliary is to get the ex-service men and their wives better acquainted and to create an organization that will be an asset to the county.

Mrs. T. U. Brunson, of Wichita Falls, an inspector of the state, has promised to be present at the meeting and to assist in any way possible to make the project a success.

### High School May Be Completed by October 1, Belief

Regardless of the fact that the second floor of the new high school building is complete except for the connecting of the water, light, and plumbing systems and a small amount of finishing work and the main floor is to be completed to a like stage by the last of next week, the men in charge of the work are of the opinion that October 1 is the earliest possible date that school work can be started there.

The walls on the second floor have been tinted and there only remains about two days to place that part of the building in readiness for the furniture to be moved in and school to begin. The blackboards are ready to be installed and the woodwork is being finished.

Work on the first floor of the building is not so far advanced as on the second. The classrooms are all plastered but the walls have not been tinted. The floors in the hallways are being completed and general preparations for the finishing work are being made. The plaster work in the auditorium is to be completed by the middle of the week.

The work, for the most part, has been delayed by shipments of material arriving late. Also the shortage of skilled workmen to do the finer work on the building has tended to hold up operations. However the rooms are ready for the installation of the furniture and though it will take about two weeks to complete the plumbing system it is thought that everything will be completed about October 1.

### MISS CASTLEBURY IS ORGANIST AT CHURCH

Miss Georgia Castlebury has been selected as choir leader and organist of the Federated Presbyterian Church and is to take charge of the duties of the office at once.

Miss Castlebury completed a course in voice and pipe organ in the Ithaca Conservatory of Music this summer at Ithaca, New York.

### Return Federation Property.

Mrs. J. N. Johnson, custodian of property Community week at Abilene Park, is asking that a box containing draperies and safety pins be returned to her that was taken from the stage that week.

## CHIEF FIGURES IN NEWS EVENTS OF THE DAY.

Above: REAR ADMIRAL HUGH RODMAN & MRS. RICHARD NORTON. Below: DR. L. T. WU and TOKICHI TANAKA.

Tokichi Tanaka, former Vice Minister of Foreign Affairs in the Japanese Government, is being mentioned as a possible successor to M. Hamihara as Japanese Ambassador to Washington. Dr. L. T. Wu, physician extraordinary to the President of China, is in the United States to confer with Chinese diplomats. A retired officer of the Navy, Rear Admiral Hugh Rodman, veteran of fifty years' service, rushed to the aid of the fleets with a declaration that appropriations are below the danger point. The Prince of Wales's favorite dancing partner in England, Mrs. Richard Norton, was a guest of Mr. and Mrs. Joshua S. Cosden during the heir's visit for the polo matches.

## QUIET WEEK IN DISTRICT COURT

HUNG JURY IN GONCE CASE—WAGGEY GOES TO PRISON—CIVIL CASES NEXT

Another quiet week is reported in District Court for the fourth week of the term. In the case of Roy Gonce for manufacturing whiskey, tried Wednesday, resulted in a hung jury. The man pleaded guilty but the jury disagreed on whether to allow a suspended sentence. Eight of the jury were in favor of a suspended sentence and four against.

The grand jury convened again Monday, brought in four bills and ceased their deliberations Tuesday night. They will be called back later in the term.

J. A. Waggey, who pleaded guilty to selling whiskey and received sentence of one year in the penitentiary has started serving his sentence. He was taken to prison Monday.

The case of Bowers Oil Company versus Peck and Hickernell was continued by agreement this week.

The jury has been dismissed for the week. The following civil cases have been set for next week: W. T. Waggoner versus LaRue Oil Association; W. H. Clement versus George Trigg; Rogers-Wade Furniture Company versus G. W. Eisenbee; W. M. Cameron & Co. versus C. R. Staley; B. B. Taylor versus Scott & Blackman; W. R. Antle versus M. W. Liddell, et al; Oklahoma Talking Machine Company versus E. L. Pendleton; Herring National Bank versus W. P. Durbin.

C. T. Smith Sells Home. C. T. Smith sold his beautiful home this week at the corner of Texas and Lamar streets to Mrs. J. E. Prince, who has made her home in West Vernon for a number of years. Terms and consideration of sale are private, but some property was exchanged in the deal as a part of the consideration. Mrs. Prince will move to her new home in a few days. Mr. Smith has not announced his plans but says that he intends to continue to make his home in Vernon.

### Call Meeting of Home Science.

Members of the Home Science club will meet in call session, Tuesday afternoon at 4 o'clock at the home of Mrs. N. R. Heath. At this time the membership roll will be revised, names will be presented for membership and resignations will be considered. All members are asked to attend.

### Mrs. Gilliland Is Improving.

Mrs. J. A. Gilliland, who has been seriously ill for several weeks with paralysis, is reported to be considerably improved.

## CITY COMMISSION BUYS NEW ENGINE

FAIRBANKS-MORSE COMPANY IS SUCCESSFUL BIDDER ON 300 HORSE POWER ENGINE

Bids for a 300 horse power engine for use at the city light and power plant at the corner of Deaf Smith and Yamparka streets, were opened Tuesday by the City Commission and the Fairbanks-Morse company was awarded the contract.

The purchase of the engine gives the city plant 950 horse power in engines. The additional horse-power was found to be necessary to take care of the increasing demand for service. This amount however is small for a town the size of Vernon and according to statements made by Mayor Harry Mason Wednesday, another 300 horse-power engine will be needed within a year from the time the new engine is installed if the increase in demand for service is kept up. The new equipment is expected to arrive here in about 60 days.

## BRIDWELL HEIDRICK ON SAND TODAY

WELL TO BE BROUGHT IN TO NIGHT—WELLS-GIBBERSON MAKING 150 BARRELS

Interest in oil circles is increasing this week with Bridwell-Heidrick on the end at 1995 feet. Casing was set last night. The hole is being washed out today preparatory to drilling in some time this afternoon or tonight. The test is being watched with much interest.

Sheerin and McCamey, contractors for Ellis-Dumas and Richardson tests are returning and work will be resumed on both wells.

The Windberg Oil Company is drilling at 1050 feet.

Wells-Giberson is settling down to a production of 150 barrels a day.

## E. J. Harris Opens Filling Station on East Wilbarger

E. J. Harris has opened a modern drive-in filling station on East Wilbarger street and has cleared a plot of grounds that adjoins the station for a free tourist camp to be opened next season. The station is located on the Colorado-Gulf highway and is equipped with all modern conveniences.

In addition to the usual equipment for a filling station, 9,000 square feet of pavement has been built for the drive way.

There are four drive ways to the station which extends over the entire front of the block.

The free tourist camp is to be equipped with every convenience for the tourist. There are shade trees in the rear of the filling station and cooking pits will be dug. There are ten baths to be built on the ground according to information given out by Mr. Harris.

## Foundation for County Vault Is Laid Wednesday

The concrete foundation for the new county vault in the building at the corner of Wilbarger and Cumberland streets, formerly occupied by the Robinson Motor company, was laid Wednesday and the brick work started this morning.

It is stipulated in the contract that the vault is to be completed by October 1, and something over \$4,000 is involved in the transaction. R. L. Jones, local contractor, was the successful bidder for the work and is pushing it to completion as rapidly as possible.

### THE VERNON RECORD HAS SMALL FIRE TODAY

Fire that started in the furnace room at the Vernon Record plant, called out the city fire department this morning about 10 o'clock. Damage was small and the fire was soon extinguished.

### Leave for New York City.

Miss Thelma Smith and Miss Thelma Sherrill leave tonight for New York City where they will spend the winter. Miss Smith will enter Columbia University, where she will specialize in English. Miss Sherrill has accepted the secretaryship of the Grace Methodist church and will also study music.

## MEN WHO FIGURE IN NEWS SPOTLIGHT.

Above: SAMMY RZEWSKI & CHARLES A. STONEHAM. Below: GENERAL PERSHING & PAUL PAINLEVE.

Paul Painleve, President of the French Chamber of Deputies, the most forgetful man in France, was about to return from Havre to Paris when he discovered his trunk was missing. A fifteen minute search failed to locate it. Then he remembered he hadn't brought one. General John J. Pershing, retiring as field commander-in-chief of the American armies, has refused offers to manage a "Buffalo Bill" show or to enter the movies. Charles A. Stoneham, owner of the New York Giants, will go on trial on September 20 for alleged conspiracy to use the mails to defraud in stock transactions. Sammy Rzewski, of Detroit, chess prodigy, defeated Julius Rosenwald, Chicago millionaire philanthropist, who will now defray all the child's expenses in studying to be a Hebrew theologian.

## WORK PUSHED ON THREE BUILDINGS

STRUCTURES ON MAIN STREET TO BE COMPLETED SOON—WILL BE BEAUTY BLOCK

Work on the Smith, Dixon and Murchison buildings is progressing. Most of the building work has been completed and the finishing work is now under way.

The Smith building on the corner of Main and Texas streets is the nearest to completion. The windows have been put in and the plaster work on the second floor is progressing rapidly. The concrete for the floor in the basement is being run and the heating, plumbing, and lighting systems are being kept in pace with the other work. C. T. Smith, owner of the new building on the corner, stated that he could not give out a date for the completion of the structure since the nature of the work now under way could not be judged by days as easily as the brick and other construction work.

The last of the steel for the Dixon building has been placed and the sub-flooring for the first and second stories is being laid. This building has not been completed to a stage for the installation of the heating, lighting and plumbing fixtures. However a part of the material for the systems is already here and will be installed as soon as possible.

The Murchison building, which joins the Waggoner National Bank on the north, is progressing satisfactorily. A part of the sub-flooring has been laid and the preliminary work for the beginning of the finishing work is now under way.

### IMPROVEMENTS BEING MADE AT HABERDASHER STORE

A balcony for office space and shelving on the main floor are the new additions now under construction in the Haberdasher store on the West Side of the square. The new changes are deemed necessary by the management to take care of the expected increase in business this fall. Only a short time ago additional shelving was installed to take care of the shipments of stock that had just arrived.

### Elliot Club Meets.

Miss Emma Gunter met with the Elliot Home Demonstration club at the school building, Tuesday, September 9 at 2:30 p. m. with 15 ladies present. The women signed up to enter the Appropriate House Dress Contest. A demonstration on the bound buttonhole and set-in pocket was given and after a round table discussion and songs, the women adjourned to meet again Sept. 23rd for an all day meeting.

### Attends Sheriff's Convention.

Sheriff Frank Edmondson was in Fort Worth yesterday where he attended the Sheriff's Convention. He returned this morning in order to be here for the Defense Day parade.

## PAVING ORDERED ON TEXAS STREET

WILL BE LAID FROM TOLAR TO STEPHENS STREET

The City Commission Tuesday passed an order, calling for the laying of a twenty-foot reinforced concrete pavement on Texas street from Tolar to Stephens, a distance of 640 feet, or about two ordinary blocks. The estimated cost of the improvement is about \$4,500. One-fourth of the cost will be paid by the City and three-fourths by the property owners.

C. T. Smith resigned as a member of the School Board, but no appointment to fill the vacancy was made by the Commission. The Farmers State Bank was re-appointed depository for City funds for the ensuing year and R. B. Gibson re-elected City Treasurer. Mr. Gibson is cashier of the depository bank.

## L. Lane and Miss Sallie Hardison Marry Tuesday

A wedding of much interest to the friends and acquaintances of the couple took place Tuesday night at 8 o'clock when Miss Sallie Hardison became the bride of Luscious Lane.

The impressive marriage service was read by Dr. R. E. Dickenson, pastor of the First Methodist church at his home on West Peace street. Only the immediate family of the pastor witnessed the marriage.

The bride is a daughter of the late M. F. Hardison and was reared in this city. For several years she was with Woodworth here and last year accepted a position with Perkins-Timberlake in the cashier and bookkeeping department where contact with the public has made her many warm friends that are extending congratulations and best wishes to the bride and her husband.

Mr. Lane is a fine young man who has been a resident of Vernon for several years. He has a position with the White Rose Cafe.

Mr. and Mrs. Lane will make their home on South Cumberland street.

### FARM BUREAU OFFICIAL ATTENDS DIRECTORS' MEET

T. M. Haney, of Thalia, was here yesterday on business. Mr. Haney has just returned from a directors' meeting of the Texas Farm Bureau Cotton Association at Dallas. He reports that much cotton is coming into the headquarters of the company and that a banner year for the association is expected.

### Return From California.

Mrs. L. K. Johnson and daughters, Cornelia and Louise, have returned from Long Beach, Calif., where they spent the summer.

## WEATHER IDEAL FOR DEFENSE DAY DEMONSTRATION

Program and Parade Will Probably Be Largest Display of Patriotic Sentiment Held in Wilbarger County Since the World War

With a brisk wind blowing out of the northwest, the day looked unfavorable for Defense Day, but with the sun coming out in time to warm things up this morning and all parties concerned preparing for the parade, indications point to the event being one of the largest demonstrations of patriotism ever held in Wilbarger County since the World War. The parade and program are to be the features of the afternoon.

The town has been decorated with the standard decoration adopted by the American Legion, the Stars and Stripes. Many beautiful floats, representing appropriate ideas for the day, are entered. One to attract special attention will be that of "Mothers of Veterans," on which will ride mothers of Spanish-American Veterans and World War veterans. The U. D. C.'s promise something special, but will not announce what they plan prior to the parade. The American Legion will enter two floats, one representing the living defense of America and the goddess of Liberty, another reminding us of the cost in lives sacrificed to buy our liberty. Several other special features will appear.

Organizations, firms and individuals already entering decorated cars or floats include the following: The Railroad Girls, Red Cross, Mothers of Veterans, U. D. C.'s, Royal Neighbors (2 w. c. t. u.), Home Economics Club, Social Arts Club, Parent-Teachers Association, Home Science Club, Woman's Club, Musicians Club, Delphian Club, American Legion (2 floats), Rotary, Lions, Elks, U. C. V.'s, King Tut's, Russell's Department Store, Massie-Vernon Grocery, City Bakery, Haberdasher, Ferguson Drug Store, White Rose Cafe, E. M. Lentwyler Candyland, Vernon Drug Co., The Famous, King & Pyle Barber Shop, Davis, Webb & Co., T. J. Youngblood, McFall Bros. Motor Co., Sheriff's Department, Mayor's Department, Brunson & Williams, Farmers State Bank, Herring National Bank, Waggoner National Bank, Liberty Cafe, Nanter Bros. Motor Co., Murray's Shop, Puckett's Gas Station, Phonograph Shop, Auto Tire & Battery, Vernon Theater, Mann Bakery, Holley Cafe, Thompson's Shoe Shop, Davis & Williams Insurance, Thompson's Filling Station, Vernon Auto Co., White Garage, Allman's Service, C. M. Ladd, Wyatt Motor Company, Perkins-Timberlake, Alger & Holler, Motor Sales, T. B. Smythe & Son, Brown's Cash Grocery, Sanitary Meat Market, Pioneer Auto Supply, McPherson & Sons, O'Steen & Tolner, C. H. Parker, The Fair, Eggleston's, B. & W. Drug Store, Piggy Wiggy, City Meat Market, Massie-Coffee, North Texas Hardware Company, City Drug Store, L. P. Kramer and Puckett Brothers.

Organizations which will be represented by float or car or by marchers include: Camp Fire Girls, Boy Scouts, Chamber of Commerce, the Public Schools, DeMolays, Band, Antlers, Masonic Orders and National Guard. With so many interested and taking part the parade is expected to be the most spectacular ever held here. Out-of-town visitors, organizations and firms are invited to take part in the ceremonies.

A special platoon drill will be held on the streets immediately after the close of the program on the court house lawn, under the direction of Captain Clyde D. Watts of Company "C" 112nd Infantry, Texas National Guard. All volunteers for one day only to fill the ranks of the National Guard are being accepted. No obligations for military service are assumed by volunteers.

The program will be held on the lawn on the east side of the Court House, instead of on the southwest corner, as previously announced. There is plenty of shade on the east side.

In line with the sentiment of the day and to perfect the organization of the project the following were named to head the activities mentioned: J. A. Birdsong has been named food administrator and E. P. Robertson has been selected as fuel administrator. The registration committee is composed of three men. They are: J. O. Rouse, J. W. Brock, Jr., and Dr. H. H. Rhoads. President of the council of defense for men, W. O. Anderson, and Mrs.

## LUTHERANS OPEN CONFERENCE HERE FOR THREE DAYS

About Twenty-Five Ministers Expected To Attend Sessions To Be Held at St. Paul's Church on East Wilbarger Street

The Panhandle conference of the Lutheran church convenes here today with the congregation of St. Paul's Lutheran Church as hosts. The sessions will continue through Sunday and twenty-five ministers are expected to attend. The Panhandle territory includes churches from Dallas northwest along the Denver Road and adjacent territory into New Mexico. It is a part of the Missouri Synod.

The opening sermon of the conference will be preached tonight at the church by Rev. P. Klenk of Olney. A communion service will be held in conjunction with the sermon tonight.

Saturday will be devoted to the regular business sessions, and three services will be held Sunday in the interest of the home mission enterprises of the church. The morning service will be in the German language, conducted by Rev. W. H. Stock of Canyon. At 3 p. m. Sunday afternoon services in the English language will be conducted by Rev. A. Robert of Dallas. The evening service at 8 o'clock will also be in English and will be conducted by Rev. H. Klindworth of Dallas.

Special offerings will be taken at each of the three Sunday services for the home mission work of the Lutheran Church. Women of the local congregation will serve a free dinner to the members and visitors in the basement of the church Sunday at noon.

The chairman of the conference is Rev. C. M. Bever of Wichita Falls and Rev. Paul Kaiser of Burkburnett is secretary. The pastor of St. Paul's Church, the Rev. J. A. Brumbaugh, announces that a cordial invitation is extended the general public to attend any of the sessions of the conference.

## Ginning Season of Co-Operative Gin May Open Saturday

The work of connecting up the machinery of the Farmers' Co-Operative gin is nearing completion and the plant is to be tried out either tomorrow or Monday.

It is one of the most modern plants and is equipped with 6 of the 70-saw Murray gin stands. The buildings are arranged in the most convenient manner to bring about ease and efficiency in operation.

Aside from the modern gin equipment, the gin yard is one of the most convenient assets to the plant. There is one-half block cleared for farmers to leave their teams while waiting their turn at the gin. There is a plan on foot to extend the tracks of the Frisco railroad along the north side of the gin yard and to build a shipping platform to enable quick shipment of cotton by farmers belonging to organizations that pool cotton to obtain better prices for it.

### ODD FELLOWS GET READY FOR "COURT" MONDAY NIGHT

Members of the local Odd Fellow lodge are busy this week preparing evidence and getting briefs ready for the trial of one of the prominent members of the lodge Monday night. Odd Fellows from nearby towns will attend the trial and a special venire of all members of the order of Vernon has been summoned from which the jury will be selected. Rev. L. P. Kopp will occupy the bench; Geo. A. Long will prosecute and P. M. McKinley will defend the prisoner. John Walker is sheriff, L. P. Kramer court reporter and J. A. Carney, clerk.

### TOLBERT METHODISTS TO START MEETING SATURDAY

The annual revival meeting at Tolbert will begin this coming Saturday night, Sept. 13. Rev. A. C. Bell, Abilene, Texas, will do the preaching. All are invited to attend these meetings. The famous Tolbert singing class will lead the singing.

Engene Keltz has been selected as president of the women's council of defense.

The Vernon Hospital has been selected as the base hospital and the fair grounds will be utilized as a camp site, according to heads of the National Guard.

## Gloria Swanson Is Here Monday and Tuesday in "Zaza"

When "Zaza" the great French was produced in Paris some twenty-five years ago, and which the starring vehicle for Mademoiselle Rejane, it was believed by critics that it would be impossible for any American actress to portray that arduous role as successfully as the actress named. These critics were in error as evidence showed. The play was many years a reigning success in the American stage with many of the actresses in the title role.

The production of this charming play by Paramount with beautiful Gloria Swanson in the title role will be a far more complete characterization than has been seen on the American screen. In this splendid production, which will be shown at the Vernon theater next Monday and Tuesday, Miss Swanson relies solely upon the power of pantomime in which the French always been adepts, but those who have seen the great screen artist in wonderful emotional interpretations, in which she has appeared several years, will be the first to declare that Miss Swanson is the American screen star who is the role of "Zaza" with a power never heretofore witnessed in drama productions.

The support provided for Miss Swanson in this play, headed by H. Warner, is exceptionally praiseworthy, each role being in the hands of an artist. The photoplay is splendidly produced by Allan Warner and in point of direction and photography, as well as sterling traits, it ranks as a masterpiece of the screen.

## "The Arab", Romance of the Desert Here Monday and Tuesday

The Pictorium will Monday and Tuesday show the famous Rex Ingram production of "The Arab," with Ramon Novarro, the perfect lover of the screen as Jamil, the Eddouin Sheikh's son and Alice Terry, the heroine of "Scaramouche" as the fiery American girl. Screened in far away Algiers and Tunis with thousands of desert tribesmen in the great mob scenes, it is replete with trying situations. If you yearn for love and far off beauty glamour of the desert and nights of glorious romance, see this sheik picture. The cast with the exception of Novarro and Terry was selected entirely from the famous players of the old world.

Andy, Min and Chester will also appear in "A Day of Rest."

Saturday only, Art Mix is here in a splendid western, "A Rider of Mystery Ranch." A daring cow girl tries to tame a supposed tenderfoot. A story of the new West where a tenderfoot elected sheriff cleans up the town and wins the two prettiest girls. Albertini in No. 4 of the "Iron Man" is also shown.

Today is the last showing of the "Dancing Cheat," a story of a over-the-border Monte Carlo. Also Ben Turpin in "Yukon Jake" is shown.

30 Cities - 44 Stations

Were Tuned in on the Brunswick-Radiola in One Evening by Mr. Goldsmith

The majority of the stations were heard through the powerful transmission of New York's local stations WJY-WJZ of the Radio Corporation of America two miles away, and WEAH four miles away. The usual dry battery tubes UV-199 were used throughout. In every case reception was on the loud speaker and of such loudness that there was no strain on the listener. In fact, the speech and music would have been comfortably audible at a distance of at least fifteen feet in every case. For example, the reception from Oakland, California, and from Fort Worth was of such intensity and clarity that Mrs. Goldsmith listened to it across two rooms at a distance of nearly fifty feet.

To summarize, this receiver in its present location will successfully receive any signal which is not drowned by static; the sensitivity being such that this unusual limitation is the only one imposed on reception.

We now have the Brunswick-Radiola in stock for your inspection and will be glad to Demonstrate them to anyone interested.

## COTTON PICKERS NOT AVAILABLE

DEMAND FOR HELP TO GATHER FLEECY STAPLE IS GREAT THAN SUPPLY

The demand for cotton pickers is increasing every day and since no pickers are available at this time, the situation is becoming of a serious nature.

At first request, farmers wanted large families but with the scarcity of such cotton picking forces the farmers have been trying to find single hands. The acceptance of single hands has not supplied the demand and it has become necessary for some farmers who are needing pickers at once to go to Fort Worth and pay transportation for the pickers here.

The single hands are asking transportation from Fort Worth and if no other arrangements can be made some farmers are planning to send a representative to Fort Worth to employ a number of pickers and let the farmers who employ them pay the transportation.

The Chamber of Commerce has been swamped with applications for pickers this week but since there are none to be had nothing has been accomplished. However, R. M. Fielder is of the opinion that a satisfactory and practical plan can be worked out by which farmers will not be placed in a position to lose money on paying transportation from Fort Worth or other points to Vernon. With this idea in view Mr. Fielder requests that all farmers wishing to get pickers here in the next few days report the number they need and what arrangements they will make to get them here.

The pickers that have come to Fort Worth are from the cotton belt in the southern states and are for the most part without sufficient funds to get to the cotton fields of the Lower Panhandle.

### A MODERN TOWER OF BABEL.

One of the strange things about politics and candidates is that people of widely divergent views will support a common candidate, who may have still other and different views. It is not infrequently occurs that a candidate will be holding a sort of joint debate with himself.

This condition is pretty well illustrated in the candidacy of Senator La Follette for President. Both farm and labor organizations are supporting the Wisconsin Senator yet it would be difficult to find two groups whose interest are more at war than those of the farmer and the industrial worker. To attain the ends each is seeking, is to diminish the purchasing power of the dollar of the other.

Senator La Follette is opposed to majority rule in the courts and proposes to substitute therefor the rule of a majority of the legislative branch of the government. The authority of the courts is the only safeguard of the rights of the minority, yet no one has profited more or availed himself more often of the right of a minority to block the aims of the majority than Senator La Follette. In fact his whole career has had this for its basis.

The Socialists are supporting La Follette, but his preachments are as far removed from Socialism as they are from rock-ribbed conservatism. It would be difficult to imagine a greater confusion of ideas, interests, aims and purposes than those of the various groups who have enlisted under the banner of Senator La Follette.

The explanation, of course, lies in the fact that his appeal is primarily to the dissatisfied, no matter what the cause of dissatisfaction may be, and the further fact that he has accepted nominations and endorsements of groups who would otherwise be without a champion. He is in the position of a lawyer who is willing to take anybody's case on any side of any question. The only requirement is that each client must have a grievance.

### MR. COOLIDGE AND THE CONSTITUTION.

It was a timely warning that President Coolidge sounded the other day when he called attention to the dangers of leading encouragement to the hue and cry against the courts and support movements designed to curb the authority of the Supreme Court to declare unconstitutional acts of Congress. If such movements as the President warns against were successful, we would make of our constitution a mere scrap of paper. To deny the courts the right to interpret the constitution is to destroy it.

If Congress had the right to pass judgment on the constitutionality of its own acts, we would have no further use for the constitution, for the very obvious reason that the passage of a law would be the answer to any question of its validity. It has always been the belief in this country that there are certain rights of the individual and the minorities which were inalienable. Substitute the majority rule of legislatures for the constitutional guarantees and these rights become a memory.

The President is correct in calling attention to the effects of such tendencies, but it is interesting to recall that one of the most distinguished advocates of placing a curb on the authority of the judiciary was an honored leader of the President's own party, the late Theodore Roosevelt. Roosevelt preached the doctrine of submitting judicial decisions to popular vote, which is more destructive than to give Congress the right to override decisions of the Supreme Court. Yet, if any would suggest that Roosevelt gave his support to proposals that meant destruction

of our form of government would bring forth an indignant defense from President Coolidge. La Follette is denounced as a radical for advocating ideas which are more conservative than those of a man who is canonized by the Republican party.

### THE GOOSE STEP NO LONGER THRILLS.

They had a military parade in Berlin the other day as part of Germany's "Defense Day" program. The school children were turned out and general holiday from business was declared in order that the people might witness the demonstration. Dispatches tell us that as the gray-clad warriors passed in review, doing the once-famous goose-step, the crowds manifested little enthusiasm. Only the school children cheered. No doubt the older ones present had some very poignant memories recalled by this demonstration. Eight years ago any sort of a military display aroused the wildest enthusiasm in Germany. Nothing could illustrate the transformation that has taken place better than this recent incident. If there was ever a people who would be calculated to view a military parade without visible manifestation of enthusiasm, it is the Germans. No people has had better opportunity to appreciate the bitterness of the cup of militarism. Evidently the lessons of the war are not entirely lost on this unhappy people.

### TEXAS WILL REMAIN REGULAR

The Republicans have nominated a splendidly equipped man for Governor of Texas, Dr. Butte, from all accounts, is possessed of all the qualities and abilities that would make him an acceptable chief executive. But notwithstanding these facts, there is little reason for believing that he stands any chance of being elected. There is some dissatisfaction over the turn of events in the Democratic party in Texas, and no doubt many Democrats will bolt the ticket this year. But even so, Texas will vote very much as it always has.

### TOMATO AND PEPPER RECIPES BY HOME AGENT

Miss Emma Gunter, home demonstration agent, sends in the following recipes for making good things out of green tomatoes and peppers:

**Green Tomato Mince Meat.**  
1 peck of green tomatoes, 2 1-2 pounds of brown sugar, 2 pounds of raisins, 1 pound of beef suet, 1-2 cupful vinegar, 2 tablespoonfuls of salt, 2 teaspoonfuls of nutmeg, 1 teaspoonful ground cloves, 2 cupfuls of chopped apples (if desired.) Slice the tomatoes thinly, or put them through a food chopper, allow to drain, cover with cold water, place over the fire and boil for five minutes. Drain well, add suet, vinegar, fruit and seasoning, return to the fire and allow to simmer from 30 to 45 minutes. Pack hot and process 10 minutes.

**Pepper Relish.**  
Take 1 dozen sweet green peppers and 1 dozen sweet red peppers and add 2 large onions chopped fine. Cover with boiling water and let stand 10 minutes, drain, cover with boiling water and let stand 10 minutes. Cover again with hot water and let come to a boil. Then let stand again. Drain dry and add 3 tablespoonfuls of salt, 2 pints of vinegar and 2 cups of granulated sugar. Cook 15 minutes and pack hot in jars and process 10 minutes at boiling temperature.

**Chili Sauce.**  
Select only ripe tomatoes, wash, but do not peel, cut out green cores and bad places, quarter, measure, and place in open-top porcelain or granite vessel over stove. For each gallon of tomatoes, add one level cup of finely chopped onions, 2 level cups chopped green sweet peppers (leaving out seed.) Boil until tender and soft, mash through colander, measure pulp and add to each gallon of pulp the following:  
1 level teaspoon ground cloves,  
2 level teaspoonfuls red pepper,  
1 level tablespoon ground allspice,  
3-4 pint sugar,  
1 pint vinegar,  
1-2 level teaspoon ginger,  
1-2 level teaspoon cinnamon,  
1-2 level teaspoon black pepper,  
6 level tablespoons salt.  
Boil until thicker than catsup.

### OUT-OF-STATE LEGHORNS WIN IN A. & M. CONTEST

White Leghorns of other states swept into the lead of the Texas National Egg Laying Contest being conducted at the A. & M. College of Texas during the past month. L. C. Beall, Jr., of Vashon, Washington, had the highest pen of five which set a record of 119 eggs and Alexander Stewart of Santa Cruz, California, had the highest individual, his bird having laid 27 eggs in the 31 day period. Mr. Beall's White Leghorns are now leading all other pens for contest honors and his individual is leading in that class also.

In spite of the hot weather which has prevailed without the succor of cooling rain for three months, the contest had a very good month in August. The average monthly production was 44 per cent and the monthly average of all hens 13.6 eggs a day.

## KARNAK KEPT HER ABLE TO GO SAYS MRS. MINTER

**Declares That If It Had Not Been for Andre's New Medicine She Would Still Be in Bed**

"If I hadn't gotten Karnak three weeks ago when everything else had failed me I firmly believe I would still be in bed," declares Mrs. W. O. Minter, 1413 W. Eighth St., Oklahoma City.

wreck. I had dieted and starved and taken medicines without a particle of benefit. My stomach seemed as sore as a boil, I had awful pains through my back and was so nervous I could not get any restful sleep.

"But two bottles of Karnak has me feeling like a new person. I am now up and able to get about, my strength is returning every day and I feel fine. Karnak is wonderful."

## DAILY PRACTICE FOR GRID SQUAD

THREE TEAMS RUN SIGNALS  
EVERY AFTERNOON UNDER  
DIRECTION OF 2 COACHES

Football practice is in full swing now with strenuous workouts every afternoon at the Fair Park. The field has been cleared with the city grader and tractor and the coaches are working the men longer and harder to get them ready for the opening game of the season.

Upward of 40 men are trying out for places on the squad and with material for three teams on the field every day it is the opinion of fans that a winning aggregation can be selected.

Men who have followed the work of the team for the past two weeks think that the prospects for a team this year are better than before. Cronin and Ryan from Dillicote are showing up fine and Burrows from Crowell is doing his share of the work. Walker and Bourland are coming into their own in the backfield and Williams as quarterback is taking to his old good form. Other players are showing up fine and the coaches are very optimistic as to the outcome of the season.

The goals will be put up tomorrow morning and the tackling dummy will be put in place for instruction in the art of stopping the offense of opposing teams.

The practice program for the afternoon consists of receiving punts and passing to lumber up on offense. Signal practice is taken up and when the men are warmed to the occasion they are instructed in broken field running. Punting by members of the backfield is being taken up gradually until the teams are selected and the passers are becoming accustomed to handling the pigskin.

west is fast emerging from the business depression. It is also evidence that the consumption of macaroni products is on the increase in this country. Finally, it shows that the Skinner Macaroni factory is maintaining its position as one of the largest macaroni plants in the country. Macaroni consumption has increased in the United States until it now averages six pounds per person annually. In Europe the average is much higher for France, Germany, and Italy have an average consumption of 50 pounds per capita each year. Texas can now banquet on Skinner Macaroni Products. The accompanying sketch is from an actual photograph of the trainload as it left Omaha. Waples-Platter Grocery Company of Vernon, one of the leading distributors of Skinner's Products, participated in this trainload shipment.

## MISS KOHL OF HARROLD MARRIES WICHITA FARMER

Miss Antonie Kohl of Harrold and Fred Lalk of Electra were married Sunday at the Evangelical church at Electra. The wedding took place at high noon. To the strains of a beautiful wedding march played by Miss Hilda Lalk, the wedding party entered and took their places at the altar.

Miss Etta Lalk, maid of honor, entered with the best man, A. G. Kohl, brother of the bride. The bride and her maid of honor were carried in white crepe de chine and carried arm bouquets of bride's roses. Rev. J. J. Huffman of Ceago, in a very beautiful and impressive ring service, made them man and wife.

Dinner was served at the home of the bride immediately following the ceremony. The following were guests: Mrs. Fred Lalk, Mr. and Mrs. Bill Schible, Mr. and Mrs. C. Arnold, Mr. and Mrs. Florence Klinkerman, Mr. and Mrs. H. D. Pohlman, Mr. and Mrs. W. E. Stelman, Mr. and Mrs. A. W. Brockreider, all of Electra, Mr. and Mrs. George Lutz, Mrs. George Dones, Mrs. Henry Rains, Charlie Schumann, George Dones, Sr., and Miss Elsie Rains, all of Harrold.

Mr. Lalk is a prominent farmer living east of Electra in the Enterprise community and his bride is a well known and popular young woman of Harrold. They received many beautiful presents. Mr. and Mrs. Lalk will make their home on their farm.

## Returns From California.

**Pepsinated Calomel Is Better than the Old-Time Sickening Kind**

It is gentle, imported English Calomel, combined with Pepsin and other helpful ingredients. It is mild but certain, causing no harshness or unpleasantness and will absolutely relieve indigestion, biliousness, bad colds, constipation and sick headaches. And best of all it does it at once—quickly and pleasantly. Take one small tablet at bed-time and you will get up hungry and feeling fine. Recommended by

## SCOUTS TO BE IN MOTION PICTURES

PHOTOGRAPHER OF DOUGLAS FAIRBANKS WILL MAKE PICTURES AT CRATERVILLE

The Vernon troop of Boy Scouts is to appear in motion pictures, according to information given out by Scout Master G. L. Taylor, Wednesday morning. The arrangements for the annual encampment to be held in Craterville Park, Okla., next May, are being made and while at the camp the photographer for Douglas Fairbanks will be in the Park making pictures and has made arrangements to use the Vernon troop in some of the scenes.

Mr. Taylor stated that five troops from Wilbarger county will be used and that much work will be done to get the troops ready for the pictures. The boys will be drilled and uniformed as never before, according to his statements, and since only Scouts from Wilbarger county are to be used he plans to make it one of the greatest advertising projects ever used to put Wilbarger county on the map.

The progress made by the local organization is shown in the large number of boys that are members. Also in the manner in which preparations for the annual camp were put over early this summer. The next step to be taken by the organization will be the opening of the scout headquarters tomorrow morning in the bandstand on the court house lawn. The structure has been painted, put into first class condition, and a telephone and office furniture installed. The purpose of the headquarters is to assist the general public in any way possible. The members of the troop will keep their bicycles at the headquarters and will be ready to run any kind of errand or carry a message to any part of the city free of charge. The office will be opened before school in the mornings, after school in the afternoons, and at night until 10 o'clock.

W. J. Taylor and Dudley Wynn of Commerce are here for a visit with Mr. Taylor's sister and Mr. Wynn's aunt, Mrs. M. K. Byrd.

J. N. Reed, W. A. Wilhelm and Charles Withers were in Wichita Falls on business yesterday.

Mrs. James Anderson and her son, James Anderson, Jr., of Fort Worth, are visiting at the home of Mr. and Mrs. W. O. Anderson. They expect to return home tomorrow.

## "INDIA" IN FIREWORKS FEATURE AT T. & O. FAIR

"India," the greatest fireworks spectacle of modern times, which will transport you on the wings of fancy to a "Night in the Orient," has been engaged by the directors of the Texas-Oklahoma Fair, September 29 to October 5, as one of the feature attractions of the 1924 exposition. The appearance of "India" is certain to establish a new era in pyrotechnics in northwest Texas and southern Oklahoma, as it is said to be the most magnificent fireworks spectacle ever conceived.

Secretary R. E. Shepherd, when he announced the signing of contracts with eastern amusement brokers, stated that "India" was the super-spectacle of all times. It dips into vivid color, the mystic charm, and the wondrous pageantry of far-off Orient and brings to life, on a scale so magnificent and stupendous that its very magnitude overwhelms the spectator.

This beautiful, inspiring and thrilling spectacle, which will show the glittering "army" of the great Durbal of Delhi, the savage pageantry of the far east, festivals of beauty that will haunt you for days, and plenty of action, color and surprises will unfold on a mammoth stage over 500 feet long. Two hundred and fifty costumed characters and a herd of Indian elephants will participate in the spectacle, which more than 25,000 feet of scenery will be used. The climax will be reached in the burning and destruction of the great city of Delhi, the most vivid and realistic ever produced in America.

In addition to the presentation of "India" there will be a special showing of aerial and scenic fireworks each evening. Many new and novel features never before shown in Northwest Texas or southern Oklahoma will provide the patrons of the 1924 fair with an entirely new and different idea of fireworks.

## Your Chance to Own a Cotton Farm Near Lubbock, Texas

We now have on the market the first division of the Spade Ranch, sub-divided into 177.1 acre tracts. This land lies about 15 miles west of Lubbock and is 5.2 miles square, with a good school located near the center and close enough to the Great Technological College at Lubbock, so that your boys and girls can stay at home at night and attend this great school which will be in operation in the fall of 1925.

This is your chance to buy a home where the citizenship is the best, where the schools are good and where you can attend church and Sunday School every Sunday. Where health and happiness prevails.

Where your granary and smoke house will always be filled, where your worries of the boll weevil will soon be forgotten.

This land is located within 12 miles of the Tech. Site, which lies due west of Lubbock. The soil is dark chocolate loam with a clay subsoil and the surface is about 95 per cent level. An inexhaustible supply of water can be had in wells running from 100 to 125 feet in depth.

These one hundred tracts of land are now being placed on the market at \$35.00 per acre on the following basis:

Cash payment on signing of the contract . . . . . \$885.50		Principal	Interest	TOTAL
Jan. 1, 1926—	\$ 300.00	\$918.78		\$ 618.78
Jan. 1, 1927—	300.00	300.78		600.78
Jan. 1, 1928—	300.00	232.78		582.78
Jan. 1, 1929—	300.00	264.78		564.78
Jan. 1, 1930—	300.00	246.78		546.78
Jan. 1, 1931—	300.00	228.78		528.78
Jan. 1, 1932—	300.00	210.78		510.78
Jan. 1, 1933—	213.00	192.78		415.78
Jan. 1, 1934—	3000.00	168.78		3168.78
TOTAL COST				\$6198.50

A farmer in this county can cultivate twice as much land with the same amount of farming implements and work as he can in many parts of the state. The average elevation of the South Plains country is over 3,200 feet, which makes it impossible for boll weevils and other insects in this country.

In the event that you are further interested in this matter, we will be more than glad for you to communicate with us, or our agent in your town at once and we will give you any additional information that you may want regarding this proposition. It is our suggestion that you make arrangements to come and look at this land in order that you may select a tract for your home.

Trusting that you will give this matter your most careful consideration and let us assist you in any way possible, we are, yours truly,
